

2007 Year in Review

Dear Friends,

2007 turned out to be an exciting year for Photographers Without Borders. We accomplished several important goals in support of our mission and put into place a good foundation for 2008. To reiterate, the mission of Photographers Without Borders is to provide educational and financial support to the communities of the world through the promotion and sale of fine art photography.

Our list of successes for 2007 includes:

- Recognition by the IRS as a 501(c)3 non-profit charity
- Formal elections of our Board of Directors
- Cash donations totaling over \$1500.00
- In-kind donations totaling a value of over \$10,000.00
- The design and launch of our charity desk calendar fundraising event
- Sales of our 2008 desk calendar exceeded 450 units
- Cash donation to the One Laptop Per Child program

All in all, a good year for our very young organization!

We have some very exciting projects and events planned for 2008, including another desk calendar and a photography auction in the summer, and we invite you to check our website often for the latest news and information. Only with your continued support and donations will we be able to make 2008 as great as 2007. Visit us on the web at:

In closing, I'd like to thank everyone who donated photography or made cash donations to our organization. Without your support, 2007 would not have been as successful as it was. On behalf of myself and the entire Board of Directors, I extend our deepest thanks.

Together We Can Picture A Better World!

Sincerely,

Phil Spitze, President
